Notification Of Loss Of Entitlement To Small Entity Status Under 37 CFR 1.27(g)(2)
and
Notification Of Error In Payment As A Small Entity Status Under 37 CFR 1.28(c)

Sir:

This paper is being filed pursuant to 37 CFR 1.27(g)(2) and 37 CFR 1.28(c).

37 CFR 1.27(g)(2) states:

(g) (2) Notification of loss of entitlement to small entity status is required when issue and maintenance fees are due. Notification of a loss of entitlement to small entity status must be filed in the application or patent prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity as defined in paragraph (a) of this section is no longer appropriate. The notification that small entity status is no longer appropriate must be signed by a party

identified in § 1.33(b). Payment of a fee in other than the small entity amount is not sufficient notification that small entity status is no longer appropriate.

37 CFR 1.28(c) states:

c) How errors in small entity status are excused. If status as a small entity is established in good faith, and fees as a small entity are paid in good faith, in any application or patent, and it is later discovered that such status as a small entity was established in error, or that through error the Office was not notified of a loss of entitlement to small entity status as required by § 1.27(g)(2), the error will be excused upon: compliance with the separate submission and itemization requirements of paragraphs (c)(1) and (c)(2) of this section, and the deficiency payment requirement of paragraph (c)(2) of this section:

(1) Separate submission required for each application or patent. Any paper submitted under this paragraph must be limited to the deficiency payment (all fees paid in error), required by paragraph (c)(2) of this section, for one application or one patent. Where more than one application or patent is involved, separate submissions of deficiency payments (e.g., checks) and itemizations are required for each application or patent. See § 1.4(b).

(2) Payment of deficiency owed. The deficiency owed, resulting from the previous erroneous payment of small entity fees, must be paid.

(i) Calculation of the deficiency owed. The deficiency owed for each previous fee erroneously paid as a small entity is the difference between the current fee amount (for other than a small entity) on the date the deficiency is paid in full and the amount of the previous erroneous (small entity) fee payment. The total deficiency payment owed is the sum of the individual deficiency owed amounts for each fee amount previously erroneously paid as a small entity. Where a fee paid in error as a small entity was subject to a fee decrease between the time the fee was paid in error and the time the deficiency is paid in full, the deficiency owed is equal to the amount (previously) paid in error;

(ii) Itemization of the deficiency payment. An itemization of the total deficiency payment is required. The itemization must include the following information:

(A) Each particular type of fee that was erroneously paid as a small entity, (e.g., basic statutory filing fee, two-month extension of time fee) along with the current fee amount for a non-small entity;

(B) The small entity fee actually paid, and when. This will permit the Office to differentiate, for example, between two one-month extension of time fees erroneously paid as a small entity but on different dates;

(C) The deficiency owed amount (for each fee erroneously paid); and

(D) The total deficiency payment owed, which is the sum or total of the individual deficiency owed amounts set forth in paragraph (c)(2)(ii)(C) of this section.

(3) Failure to comply with requirements. If the requirements of paragraphs (c)(1) and (c)(2) of this section are not complied with, such failure will either: be treated as an authorization for the Office to process the deficiency payment and charge the processing fee set forth in § 1.17(i), or result in a requirement for compliance within a one-month non-extendable time period under § 1.136(a) to avoid the return of the fee deficiency paper, at the option of the Office.

In accordance with the above-identified rules, Applicants present the following relevant facts.

Facts

When this application was filed on July 1, 2003, each of the inventors was under an obligation to assign all of their rights in the application to TransTech Pharma ("TransTech") and assignments were subsequently recorded with the United States Patent and Trademark Office (USPTO). Entitlement to small entity status was asserted, and the application was accorded small entity status by the USPTO.

On October 20, 2005, a notice of allowance was mailed for the application, and on January 12, 2006, final fees were paid at the small entity rate of \$1,000, which represents the total of the issue fee amount of \$700 and publication fee of \$300.

After the issue fee was paid, it was discovered that TransTech did not qualify for small entity status when the issue fee was paid on January 12, 2006. In other words, TransTech became a large entity after the application was filed on July 1, 2003, but prior to payment of the issue fee on January 12, 2006, and this fact was only discovered by TransTech after payment of the issue fee.

Remarks

In accordance with 37 CFR 1.27(g)(2), notification of loss of small entity status must be given to the USPTO when paying the issue fee. Applicants are notifying the USPTO of the loss of entitlement to small entity status in the application.

In accordance with 37 CFR 1.28(c), Applicants respectfully request that the erroneous payment of the issue fee at the small entity rate be excused.

In accordance with 37 CFR 1.28(c)(2), Applicants respectfully submit that the deficiency owed to the USPTO is \$700, which represents the difference between the large entity issue fee of \$1,400 and the small entity issue fee of \$700. Applicants state that the small entity fee was paid based on the good faith belief that TransTech still qualified as a small entity. Enclosed is Form PTO-2038, Credit Card Payment Form, authorizing payment of \$700, which represents the deficiency in payment when the issue fee was paid.

In accordance with 37 CFR 1.28(c)(2)(ii)(A-D), the following provides an itemized list of the deficiency payment:

Type of Fee Erroneously Paid	Current Fee Amount for Non-Small Entity	Small Entity Fee Paid	Date Paid	Deficiency Owed
Issue Fee	\$1,400.00	\$700.00	01/12/2006	\$700.00
	\$	\$		\$
	\$	\$		\$
	\$	\$		\$
	\$	\$		\$
	\$	\$		\$
Total Deficiency Owed:				\$700.00

Pursuant to 37 CFR 1.33(b), a patent practitioner or recorder who is appointed in compliance with 37 CFR 1.32(b) has signed this document.

Applicants believe that no additional fee other than the fee discussed above is necessary, however, should a fee be deemed to be necessary, the Commissioner is hereby authorized to charge any fees required by this action or any future action to Deposit Account No. 16-1435.

Should the Examiner have any questions relating to the instant application, the Examiner is invited to telephone the undersigned at (336) 841-0300 (Ext. 159) to discuss any issues.
